i have gone through almost 528 numbers [Exam AWS-Solutions-Architect-Professional-KR Braindumps](#) of questions and the corresponding answers were relevant.

NEW QUESTION: 1
(1) On my nineteenth birthday, I began my trip to Mali, West Africa.
(2) Some 24 hours later I arrived in Bamako, the capital of Mali.
(3) The sun had set and the night was starless.
(4) One of the officials from the literacy program I was working was there to meet me.

(5) After the melee in the baggage claim, we proceeded to his car.
(6) Actually, it was a truck.
(7) I was soon to learn that most people in Mali that had automobiles actually had trucks or SUVs.
(8) Apparently, there not just a convenience but a necessity when you live on the edge of the Sahara.
(9) I threw my bags into the bed of the truck, and hopped in to the back of the cab.
(10) Riding to my welcome dinner, I stared out the windows of the truck and took in the city.
(11) It was truly a foreign land to me, and I knew that I was an alien there.
(12) "What am I doing here?" I thought.
(13) It is hard to believe but seven months later I returned to the same airport along the same road that I
had traveled on that first night in Bamako, and my perspective on the things that I saw had completely
changed.
(14) The landscape that had once seemed so desolate and lifeless now was the homeland of people that I
had come to love.
(15) When I looked back at the capital, Bamako, fast receding on the horizon, I did not see a city
foreboding and wild in its foreignness.
(16) I saw the city which held so many dear friends.
(17) I saw tea drinking sessions going late into the night.
(18) I saw the hospitality and open- heartedness of the people of Mali.
(19) The second time, everything looked completely different, and I knew that it was I who had changed
and not it.
Which of the following is the best way to revise sentence 7 (reproduced below)?
I was soon to learn that most people in Mali that had automobiles actually had trucks or SUVs.
A. Add an apostrophe to make "SUVs" read "SUV's
B. Replace "or" with "and"
C. Add commas after "Mali" and" automobiles"
D. Change "I was soon to learn" to "I was soon learning"
E. Change "that had automobiles" to" who had automobiles"
Answer: E
Explanation:
Explanation/Reference:
That had automobiles should not be separated by commas because it is an integral part of the category
being described, not an added description. But it isn't correct in written English to write people that. It has
to be people who(or people whom if what follows positions the people as the object of a verb). The answer
is (B).

NEW QUESTION: 2
Which is the best definition for a rollout configuration?
(Choose the best answer.)
A. Indicates all of the components an AEM site will use
B. Defining an action will be performed on a live copy page
C. Indicates the pages available on a publish server
D. Indicates all of the templates an AEM site will use
Answer: B

NEW QUESTION: 3
You need to ensure that a user named User1 can create documents
by using Office Online.
Which two Microsoft Office 365 license options should you turn
on for User1? To answer, select the appropriate options in the
answer area.
NOTE: Each correct section is worth one point.

Answer:
Explanation:

Explanation:
You need "Office Online" to be able to create documents by
using Office Online. You also need an online location to save
and store the documents. For this, you would use SharePoint
online.
