in the CTAL-TA\_Syll2019\_UK test unluckily.

Simulation tests before the formal ISTQB Certified Tester Advanced Level - Test Analyst (Syllabus 2019\_UK) [HPE6-A73 Exam Question](#) Answers Real Questions examination are necessary, and also very effective.

**NEW QUESTION: 1**

The postpartum nurse should include which of the following instructions to breast-feeding mothers?

- A. Wash the nipples with soap and water before and after each feeding.
- B. Breast milk is totally digestible by the baby because it contains lactose.
- C. Daily caloric intake should be increased by 500 cal.
- D. Limit feeding times for several days to avoid nipple soreness.

**Answer: C**

Explanation:

Explanation/Reference:

Explanation:

(A) Limiting initial feeding times will only delay nipple soreness as well as the establishment of the letdown reflex, thus encouraging engorgement from clogged ducts and ductules. (B) Soap should be avoided because it may be excessively drying, predisposing nipples to cracking. (C) For optimal milk production, an additional 500 kcal over maintenance levels are needed daily. (D) Lipase, not lactose, emulsifies the fat in breast milk, making it almost totally digestible by infants.

**NEW QUESTION: 2**

Your customer currently builds native Android applications. He is intrigued by the cross-platform capabilities of Oracle MAF, but fears that distribution through the Apple App Store is complex to set up and expensive.

Considering that your customer wants to distribute his applications to the general public and not inside his or her own organization, which three explanations can you provide about the Apple App Store to appease your customer's fears?

- A. Oracle has published numerous MAF applications to the AppleAppStore without any problems and will update the MAFframework if Apple's submission requirements are changed.
- B. To publish to the App Store as an individual, only membership in the entry-level iOSDeveloper Program is required. Appleasks for a nominal annual membership fee. There is no need to enroll in the iOS Developer Enterprise Program.
- C. If you plan to sell your applications instead of providing them for free, you need to enroll in the iOS Developer Enterprise program.
- D. Publishing MAF applications to the App Store is very simple because you submit them to Oracle and not to Apple.

**E.** Apple offers subscriptions to its Xcode development tools. It is possible to publish to the App Store for free with an active subscription.

**F.** Apple provides the iOS provisioning profile and certificate you need to sign the application, but you do not need to use Apple's tools directly to package your MAF application since JDeveloper and OEPE will do the work for you if properly configured.

**Answer: A,B,F**

### **NEW QUESTION: 3**

You are the primary technical resource for an enterprise deployment of Microsoft Dynamics CRM 2016 on-premises that has 300 seats.

You are asked about hardware requirements for Microsoft SQL Server.

You need to make the appropriate recommendation.
